

LyntrixLearn
TUITION LMS & ACADEMY SAAS

OFFICIAL BUSINESS PROPOSAL

Date: August 2026

✦ Designed for Sri Lankan Tuition Masters & Academies

Transform Your Academy into a High-Revenue Digital Brand

Stop losing video recordings to piracy and manually verifying thousands of bank deposit slips. **Lyntrix Learn** provides your academy with a custom branded subdomain, anti-piracy video player, laser QR attendance terminal, and automated slip approvals.

1. Zero Video Piracy

Dynamic moving watermark displays student's full name, index number, and phone number over video playback.

2. 1-Click Slip Approvals

Automated bank slip queue with reference validation, online card payment gateway, and instant class access.

3. Physical Class QR Terminal

High-speed laser QR hall scanner for instant physical class attendance and digital student ID cards.

ගුරුතුමන්ලා සඳහා වන ප්‍රධාන පහසුකම් (Core Platform Features)

1. Custom Subdomain & Academy Branding

Dedicated website link (e.g. <https://kasunmaths.dilnethmadushanka.online>). Students see only your classes without competitor distractions.

2. Anti-Piracy Moving Watermark Player

Prevents Telegram/WhatsApp leaks. Dynamic watermark containing student's Name, Index, & Phone moves across video continuous play.

3. Bank Slip Queue & Online Card Payments

1-click Approve/Reject queue for bank/CDM slips with VISA/Mastercard gateway integration.

4. Custom MCQ Exam Paper Builder & Marks

Create timed MCQ quizzes with auto-evaluation, detailed explanations, and leaderboard rankings per batch.
